

We are pleased to announce an upgrade to the design of EBSCO databases and EBooks, featuring significant improvements to accessibility and ease of use:

Articles & Search

- Copy persistent links straight from your browser. Note: Current EBSCO URLs will continue to work, no updating is required.
- Improved searching experience overall, based on user feedback.
- All filters and facets are accessed with one easy button and can now be locked as you navigate through multiple searches and results (scroll down to see an example).

eBooks

- Book home page provides quick access to read, download, table of contents and more information.
- Improved reading experience.

Explore

- This [quick video demonstration](#) provides an overview of the new EBSCO.
- [How-to instructions](#) show searching, using the dashboard, saving, sharing, and other options.

Contact

For help with EBSCO databases, EBooks, and more, we've got you! Stop by the library, email us at library@hollins.edu or use the chat on [our website](#).
